## **Evergreen Remodeling Earns Coveted Angie's List "Super Service Award"**

*Fort Wayne, IN, December 21, 2012* — **Evergreen Remodeling**, a licensed, Fort Wayne-based residential and commercial remodeling firm, has earned the esteemed **2012 Angie's List Super Service Award**, an honor presented annually to roughly five percent (5%) of all service companies rated on Angie's List, one of the nation's leading providers of consumer reviews on local service businesses.

"This is a tremendous honor to receive such high recognition," stated Sam Eagleson, president and owner of Evergreen Remodeling. "We're very dedicated to our clients and to our goal to be an ethical, environmental and efficient home remodeling and repair solutions-based company. We plan to continue growing this business, and we realize that doing good work and building strong relationships is key. This award certainly serves as reminder of that."

In a statement issued by Angie's List founder, Angie Hicks, "It's a select group of companies rated on Angie's List that can claim the exemplary customer service record of being a Super Service Award winner. Our standards for the Super Service Award are quite high. The fact that Evergreen Remodeling earned this recognition speaks volumes about its dedication providing great service to its customers."
